Hosting a Table at Wyngate Multicultural Night

Thank you for your interest in participating in Wyngate's Multicultural Night! It's a fabulous way to share the traditions of your country/culture.

Families who host a table typically include things like:

- Poster board display highlighting facts about the country/culture
- Traditional clothing/costumes
- Flags
- Photos
- Cultural objects
- Traditional food (plan for about 75 people)

Please plan to arrive between 5:45-6:00 p.m. to set up.

To sign up to host a table, visit www.wyngatepta.com.

If you are interested in partnering with another family to co-host your table, we'll do our best to connect you with other parents.
