### UPDATED FLYER!

Payment plans and scholarships available.

To sign up for a payment plan, check that option at checkout. For scholarships, call our office.

**Spanish Introductory** Let's speak a new language! A fun introduction to Spanish where children learn through songs, puppets, games, storytelling, movement, and hands-on activities in an immersion setting. Join us for the story of the City Mouse and the Country Mouse, or El ratoncito del campo y el ratoncito de la ciudad! *Appropriate for children who may not yet be reading or writing. Grades K-1*

**French Beginner or Spanish Beginner** Spin the globe and make discoveries! Children build practical language skills in a fun, small-group, immersion setting with lively games, activities and a workbook. Discover where the language is spoken, explore customs and cultural traditions, and communicate in another language! *Appropriate for children who are reading and writing. Grades 2-5*

**Spanish Intermediate** We're on our way! Begin to read and write in Spanish, continue to build new vocabulary and language skills, gain confidence in speaking and comprehension, and explore the diversity of the Spanish-speaking world. *Appropriate for children with Beginner level experience. Grades 3-5 (need 6 students to offer class as a separate level, or class will be combined with Beginner)*

Big Learning classes are taught by native speakers of the language they teach. Workbooks and hands-on activities promote practical use of the language and support early literacy skills. Sessions feature different topics and themes so children can learn and practice new vocabulary and concepts throughout the school year.

Big Learning is a non profit founded by the County PTA in 1975! [fles@biglearning.org](mailto:fles@biglearning.org) 301-592-0861
