

Big Learning Science & Engineering: S&E Register for Spring Session Now! *The theme is Chemistry*

Register at: <https://biglearning.asapconnected.com/>
Select **ALL CLASSES** along the upper menu bar and
then use the drop down location finder to find your school.

Chemistry Detectives

Explore solids, liquids, and gases and create new materials from exothermic and endothermic chemical reactions. Use viscosity and density to describe liquids and make your own lava tubes.

Experiment with mixtures, solutions, acids, and bases to help solve our gold paper caper, mix a polymer, and make glue from milk.

Grades K-2.

Chemistry: Lab Science

Detect and measure invisible matter, test for vitamin C and E and whether vitamins are fat or water soluble. Use Chemistry to solve mysteries, titrate acids and bases, and test flow resistance. Learn how retention factors affect chromatography and make cheese and goop. Grades 3-5

Class	Day of Week	Dates	Time	Tuition
Chemistry Detectives Grades K-2	Monday	April 8, 15, 29, May 6, 13, 20, June 3, 10	4:00 PM – 5:00 PM	\$175
Lab Science Grades 3-5				

All classes meet at Wyngate Elementary School

Payment plans and scholarships are available

To sign up for a payment plan, check that option at checkout. For scholarships, call our office.
