Spanish Introductory – new story!

Let's speak more Spanish! Join us for *Los tres cerditos* or *The Three Little Pigs*. *Little Pigs*. This story-based program provides a fun introduction to Spanish where children learn and practice speaking a new language through songs, puppets, games, storytelling, and hands-on activities. Sessions feature different stories and themes so that children can participate in one or more sessions during the year. *For new and continuing students grades K-1*

Spanish Beginner B

New and continuing students explore Spanish together in a fun, informal, language immersion setting. Children will gain confidence in hearing and speaking Spanish and continue to build a foundation for future language learning through hands-on activities, games, songs, cultural notes, and a workbook. Topics include favorite sports and pastimes, telling time, alphabet and vowels, the farm, numbers to 100, prepositions, and breakfast! *For new and continuing students grades 2-5*

Big Learning classes are taught by native speakers of the language they teach. Each level includes a workbook and hands-on activities to promote practical use of the language and support early literacy skills. Different topics and themes are introduced each session so children learn new vocabulary and concepts throughout the school year.
