#### Big Learning® Science & Engineering Incredible Forces, Grades K-2

What does friction have to do with a rolling YoYo? How do wheels and axles work together? How does the size of a wheel change the distance it covers? What can you move with a pulley? Children will build and create mazes, pinwheels, paddle boats, Bristle Bots, electric art, and more to test the properties of Mechanical Energy.

**January 12, February 2, 9, 23, March 2, 9, 16, 23**  
**8 weeks \$190.00**
